DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest a method for cutting a blade root retention slot in a turbine engine disk element comprising, machining/forming a precursor slot having first and second sidewalls and a base; and subsequently "passing a rotating but through the precursor slot to machine said base, the bit rotating about an axis off-normal to a direction of said passing," in combination with the other claimed subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
